

ILLINOIS TRIO

Mission Statement

The mission of Illinois TRIO is to advance and defend the ideal of equal educational opportunity in post-secondary education. As such, the focus of IL TRIO is assuring that the least advantaged segments of the American population have a realistic chance to enter and graduate from a post-secondary institution.

What is TRIO?

TRIO is Educational Opportunity for Low -Income, First-Generation and Disabled Americans.

In 1965, Congress began creating a series of programs to help Americans overcome class and social barriers to higher education. Our nation has asserted a commitment to providing educational opportunity for all Americans regardless of race, ethnic background or economic circumstance.

Who Is Served?

As mandated by Congress, two-thirds of the students served must come from families with incomes at 150% or less of the federal poverty level and in which neither parent graduated from college. More than 2,800 TRIO projects currently serve close to 790,000 low-income Americans TRIO programs are funded by grants through the U.S. Department of Education.
